BASKETBALL PAD AT PARK

Mayor Sharon Hardy-Mills reported to the Council she talked with the anonymous donor, wanting to put a Basketball Pad at the Park, who is willing to install a School size Pad, which is twenty feet by fifty feet (20' X 50'). The Mayor reported the City has been asked to provide the gravel and level the ground for the Pad. It is estimated the cost of the gravel will be one hundred fifty to two hundred dollars (\$150 to \$200). The Mayor reported the Pad will run east and west instead of north and south, hopefully keeping the basketballs and children from going into the road

The Council suggested putting rebar in the edges of the Pad for reinforcement, and asked who will be doing the concrete work.

Mayor Sharon Hardy-Mills reported the donor has asked Steve Noriyuki to do the concrete work for the Basketball Pad.

Upon motion made by Manderscheid, seconded by Alexander, and unanimously carried, with the following roll call vote: Alexander-aye, Gailey-aye, Loveland-aye, and Manderscheid-aye, the Council moved to accept the offer to install the Basketball Pad at the Park, and approved the City paying for Gravel, up to two hundred dollars (\$200), and having Shawn level the ground.

Troy Mortensen told the Council he has some rebar if the City would like to use it.

The Council asked the Clerk to include Park Rates on the May Council Meeting Agenda.

Mayor Sharon Hardy-Mills thanked everyone for taking time, out of their Saturday, to attend the Special Council Meeting.
