**BEFORE THE CITY COUNCIL  
OF ALBION, IDAHO**

**RESOLUTION NO. 2023-04**

**A RESOLUTION SETTING STANDARD MILEAGE REIMBURSEMENT RATES USED TO CALCULATE THE COSTS OF OPERATING A PRIVATE AUTOMOBILE FOR BUSINESS USE FOR THE CITY OF ALBION.**

**WHEREAS**, the Internal Revenue Service regularly issues standard mileage rates that can be used to calculate the deductible costs of operating an automobile for business, charitable, medical or moving purposes; and

**WHEREAS**, it is within the lawful duty of the City Council to pay claims to officers and employees which are appropriately submitted to the City for expenses incurred in conducting the City's business, which would reasonably include mileage reimbursement rates; and

**WHEREAS**, the Council deems that the current IRS Standard Mileage Rate as updated and published from time to time for business miles driven is necessary and appropriate to offset expenses related to business travel of persons employed by, or acting on behalf of, the City of Albion, Idaho, in their personal vehicles.

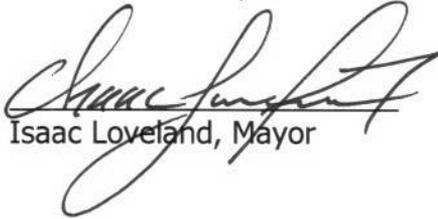

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Albion, Idaho that the standard mileage reimbursement rate allowed for business use of personal vehicles, as most recently published, shall be and hereby is adopted as the reimbursement rate for officers and employees of the City of Albion, that use their personal vehicles to conduct City business.

This Resolution No. 2023-04 shall be of full force and effect upon its approval by the City Council and execution by the Mayor and Clerk for the City of Albion.

Passed by the Albion City Council this 4 day of April, 2023.

Approved by the Mayor on the 4 day of April, 2023.
